EXPERIENCE

JULY 2019 – OCTOBER 2019

TECHNICAL DOCUMENTATION SPECIALIST, RAPPLES ENTERTAINMENTS LIMITED

As a technical documentation specialist one of my responsibility was to prepare documentation of system architecture, APIs and variables used in different part of the project, so that Front-end, Back-end & ML engineers can work in harmony with the defined APIs and Variables. Another responsibility was to prepare documentation of clients about how we are designing the system as per their requirements and also about the progress of the project.
